ACMA MOBILITY FOUNDATION PRESENTS

ACMA Digitalisation Conclave & Tech-Talk Forum

Digital at Scale

From Connected Shopfloors to Intelligent, Competitive Manufacturing

Turning digital investments into measurable business outcomes for India's auto component industry

DATE
12 January 2027
Tuesday

TIME
09:00 – 18:00 hrs
Registration from 09:00 hrs

VENUE
Radisson Blu Hotel GRT
GST Road, Chennai

01

WHY NOW

About the Conclave

India's auto component industry is entering a decisive phase of digital transformation. Rising OEM expectations, deeper integration of Indian suppliers into global value chains, and rapid advances in artificial intelligence, automation and data-driven manufacturing are redefining how competitive advantage is built on the shopfloor.

Digitalisation is no longer simply about adopting software or connecting machines. It is a strategic lever to raise productivity, strengthen quality, optimise cost and build agile, resilient operations. For most manufacturers, the question is no longer **whether** to invest, but **where** to invest, how to scale what works, and how to demonstrate the return.

CONCLAVE THEME

Digital at Scale: From Connected Shopfloors to Intelligent, Competitive Manufacturing

ACMA Mobility Foundation (AMF) is pleased to present the **inaugural edition of the ACMA Digitalisation Conclave & Tech-Talk Forum**, marking the launch of an annual ACMA platform dedicated to digital manufacturing. Unlike conventional technology conferences, the programme is firmly anchored in real industry challenges, implementation experience and measurable business impact, with solutions relevant to large enterprises and MSMEs alike.

What the programme features

Leadership dialogue
Panel discussions with OEM and component-industry leaders on investment priorities, OEM expectations and scaling digital initiatives.

Tech-Talk showcases
Curated presentations from technology providers, each addressing a defined manufacturing challenge.

Implementation case studies
Evidence-based stories from manufacturers that have delivered measurable results.

Global perspective
International practice in digital manufacturing, with lessons Indian suppliers can realistically apply.

1	2	4	3	1
Day	**Panels**	**Tech-Talks**	**Case studies**	**Keynote**
focused conclave	leadership dialogues	on the main stage	of measurable impact	global perspective

02 THE AUDIENCE

Who will be in the room

The Conclave will witness the presence of OEMs, Tier 1, Tier 2 and supply-chain companies, industry thought leaders and decision-making authorities from ACMA member companies. Delegates are nominated by ACMA member companies and selected for their role in manufacturing and technology decisions.

Delegate profile

Business leadership
Promoters, owners, Managing Directors, CEOs, Executive Directors

Manufacturing & operations
Plant heads, operations and manufacturing directors, production heads

Technology & digital
CTOs, CIOs, IT/OT heads, digital transformation and Industry 4.0 leaders

Quality & engineering
Quality, engineering, industrial engineering, maintenance and automation heads

Supply chain & excellence
Supply chain, procurement, business excellence and strategy leaders

Ecosystem
OEM representatives, Tier 1 suppliers, academic institutions and global experts

Company mix: large Tier 1 suppliers, mid-sized component manufacturers and MSMEs, predominantly from Southern India, with national participation.

03

TUESDAY, 12 JANUARY 2027 · 09:00 – 18:00 HRS

Programme flow for the day

09:00 – 10:00 — **Registration & Networking Coffee**
Delegate registration and kit collection · sponsor displays open

10:00 – 11:15 — **Inaugural Session**
Welcome address · Addresses by the Guests of Honour · AMF film: *Cluster Journey Showcase* · Presentation on Technology Enablement, from the ACMA–BCG research report *"Beyond Resilience"* · Vote of thanks

11:15 – 11:45 — **Tea & Coffee**
Screening of sponsor corporate videos · sponsor displays

11:45 – 13:00 — **Theme Session · Panel Discussion**
Digital at Scale: From Connected Shopfloors to Intelligent, Competitive Manufacturing — OEM and auto component industry leaders in dialogue

13:00 – 13:30 — **Global Perspective Keynote**
Lessons from the world's most advanced factories for Indian suppliers

13:30 – 14:30 — **Networking Lunch**
Corporate video highlights · sponsor displays

14:30 – 15:30 — **Technology Session · Panel Discussion**
Making Digital Transformation a Reality — component industry leaders with technology enablers

15:30 – 16:00 — **Hi-Tea**
Networking break · corporate video highlights · sponsor displays

16:00 – 17:05 — **Tech-Talks · From Technology to Transformation**

- T1 Digital Automation & Flexible Manufacturing
- T2 Smart Shopfloor & Industry 4.0
- T3 Digital Supply Chain & OEM Integration
- T4 Quality, Traceability & Zero-Defect Manufacturing

17:05 – 17:50 — **Implementation Case Studies**
Three 15-minute stories of measurable impact — a large Tier 1, a mid-size supplier and an MSME

17:50 – 18:00 — **Concluding Remarks & Vote of Thanks**

Conclave session · Networking & partner displays

Tentative programme; sessions and timings may change.

04

JOIN THE CONCLAVE

Delegate registration

We invite ACMA member companies to nominate senior decision-makers and functional leaders to take part in the inaugural edition.

Benchmark your practices

See where peers and leaders stand on digital adoption, and how they scaled what works.

Hear directly from OEMs

Understand OEM expectations and investment priorities from the people who set them.

Evaluate relevant solutions

Tech-Talks and display spaces let you compare solutions built for auto component plants.

Return with clear priorities

Leave with actionable, evidence-based priorities for your organisation's digital journey.

Who should attend

Senior decision-makers and functional leaders from ACMA member companies: promoters, Managing Directors and CEOs, plant and operations heads, and leaders from manufacturing, quality, supply chain, IT/digital and strategy.

EARLY REGISTRATION

COMPLIMENTARY

No fee

Register **on or before 15 December 2026**

STANDARD REGISTRATION

₹10,000 + GST

per delegate

Registrations **from 16 December 2026 to 05 January 2027**

Now	15 Dec 2026	16 Dec 2026	05 Jan 2027	12 Jan 2027

PARTNERSHIP OPPORTUNITIES

Why partner with the Conclave

Partnership offers brand visibility before a focused audience of auto component manufacturers, together with an opportunity to present solutions on stage and at a display space during the event.

Brand visibility

Your logo and name across the stage backdrop, venue branding, delegate communications, ACMA digital channels and post-event coverage.

Your pitch, on stage

Present your solution to a room of manufacturing decision-makers through a dedicated Tech-Talk slot (Strategic and Platinum tiers).

Live display presence

A display space at the venue that delegates visit through the day, during tea, lunch and networking breaks, to see demos and talk to your team.

The right audience

A focused gathering of auto component manufacturers, from large enterprises to MSMEs, together with OEM representatives, not a general IT crowd.

ACMA association

Align your brand with the apex body of the Indian auto component industry and its technology and competitiveness agenda.

Founding Partner status

All partners of this inaugural edition will be recognised as Founding Partners of the annual series in event and post-event communications.

Who we partner with

We welcome solution providers whose offerings are relevant to manufacturing digitalisation and the auto component ecosystem, to partner with the Conclave as **Sponsors and Tech-Talk Partners**, including:

- Digital technology companies
- Industrial automation, robotics, cobots and machine vision
- AI, industrial analytics, digital twin and simulation
- MES, ERP, IIoT, cloud and manufacturing software
- Industrial cybersecurity, connectivity and IT/OT integration
- Digital engineering, PLM, metrology and quality systems
- Energy management and sustainability solutions
- Consulting and implementation partners

Partners agree to AMF's sponsorship terms, branding guidelines and event code of conduct, including appropriate use of the ACMA and AMF names and logos.

LAST DATE FOR SPONSORSHIP CONFIRMATION

30 November 2026

07

EXTEND YOUR PRESENCE

Add-on opportunities

Available to any partner, or as stand-alone associations. Pricing on request; each is offered to one company only.

Networking Lunch Partner

"Lunch hosted by" branding at the dining area and acknowledgement from stage before lunch.

Tea Break Partner (×2)

Branding at tea counters and on screens during the break.

Lanyard & Badge Partner

Your logo on every delegate lanyard, visible all day.

Delegate Kit Partner

Logo on the delegate bag / folder plus one insert.

Registration Desk Partner

Branding at the registration counter: the first thing every delegate sees.

Corporate Video Screening

Stand-alone screening of your video during a break (for non-sponsors).

08

SCALABLE BRANDING

Company sponsorship packages

For Member / Non-Member companies seeking scalable branding. Titanium, Platinum and Gold partners receive a Cluster Value Credit towards their Digitalisation Cluster fee.

DELIVERABLE	TITANIUM Partner ₹10,00,000 + GST	PLATINUM Partner ₹7,50,000 + GST	GOLD Partner ₹5,00,000 + GST	SILVER Partner ₹3,00,000 + GST	BRONZE Partner ₹2,00,000 + GST

Complimentary delegate passes	3	2	1	1	1

All fees are exclusive of GST at the applicable rate.

09

FOR TECH-TALK PARTNERS

Your Tech-Talk: making the most of the stage

Tech-Talks are the sponsor's on-stage opportunity. To keep the session valuable to the audience, and therefore to you, each talk should follow four steps:

STEP 1
The problem
Open with a specific manufacturing problem relevant to auto component makers.

STEP 2
The solution
Show how your solution addresses it, with a use case or customer example from manufacturing.

STEP 3
The reality
Explain what implementation involves: integration, timelines, skills and indicative investment.

STEP 4
The invitation
Close with a clear invitation for delegates to visit your display space for a demo.

Tech-Talk themes on the programme

Sponsors may propose an alternative topic within the Conclave theme.

- **T1** Digital Automation & Flexible Manufacturing
- **T2** Smart Shopfloor & Industry 4.0
- **T3** Digital Supply Chain & OEM Integration
- **T4** Quality, Traceability & Zero-Defect Manufacturing

Content review

Abstracts and final slides are reviewed by the organisers for relevance to the audience and theme. Claims about performance should be supportable. The organisers may request revisions to content that is off-theme.

Where partners feature through the day

09:00	**Registration & networking coffee**	Display spaces open · registration-desk branding
10:00	**Inaugural session**	Strategic & Platinum partners acknowledged from stage
11:15	**Tea & coffee**	Corporate videos screened · display visits
13:30	**Networking lunch**	Corporate videos · display visits · lunch partner branding
15:30	**Hi-tea**	Corporate videos · display visits
16:00	**Tech-Talks**	Partner showcases: Strategic 20 min; others 15 min
17:50	**Concluding remarks**	Partner acknowledgement

10

TRANSPARENCY FIRST

Clear expectations

We want every partner to know exactly what they are investing in.

What your sponsorship delivers

- Brand visibility as listed for your tier
- Your Tech-Talk and/or display presence as listed for your tier
- Delegate passes for your team to attend the full Conclave
- Interaction with delegates who visit your display or approach your team during open breaks
- Acknowledgement in event and post-event communications

What sponsorship does not include

- Guaranteed leads, orders, contracts or business outcomes
- Pre-arranged or private meetings with delegates, OEMs or speakers
- Delegate lists or personal contact details
- A guaranteed seat on any panel; panellists are chosen by the organisers for balance and credibility
- Endorsement of any product by ACMA or AMF

11

SPONSORSHIP TERMS

Terms in brief

1. All fees are exclusive of GST. Payment is due in full before the confirmation deadline.
2. Branding is delivered as per the final approved communication plan, subject to receipt of artwork by the stated deadlines; material received late may not be included in printed items.
3. Display spaces are allotted by tier and order of confirmation. Display build, transport and staffing are at the sponsor's cost unless agreed otherwise.
4. The programme and speakers may change; partners will be informed of any material changes.
5. Cancellation by the sponsor after confirmation is non-refundable unless otherwise agreed in writing with AMF.
6. AMF reserves the right to decline sponsorship or content that is not aligned with the Conclave theme or code of conduct.

A PLATFORM BUILT ON CREDIBILITY

Anchored in real industry challenges and measurable business impact.

12

FIVE SIMPLE STEPS

How to book

1 Choose your package
Select your tier and any add-ons, and complete the Sponsor Registration Form: forms.gle/3A2ujX1iDn4bUj5M9

2 Receive confirmation
AMF confirms with the invoice and partner kit (artwork specifications and deadlines).

3 Complete payment
100% in advance to secure your tier; branding is confirmed on receipt of payment.

4 Submit materials
Logo, video, Tech-Talk abstract and collateral by the deadlines below.

5 Meet the audience
On the day: set up your display, deliver your Tech-Talk and engage delegates.

INDICATIVE TIMELINE

Sponsor confirmation & payment	**30 November 2026**
High-resolution logo & brand guidelines	**Within 7 days of confirmation**
Tech-Talk title & abstract (150 words)	**10 December 2026**
Corporate video & magazine ad artwork	**20 December 2026**
Final Tech-Talk presentation	**05 January 2027**
Display set-up at venue	**11 January 2027 (evening) / 12 January 2027, 07:30 hrs**

YOUR OPTIONS AT A GLANCE

All fees exclusive of GST

Strategic Partner	Platinum Partner	Gold Technology Partner	Silver Industry Partner
