Dear Member,

National Conference & Display
On
Automotive Cyber Security - Risks & Safeguard
9.00 a.m. to 1.30 p.m. : Tuesday, 18th April 2023
Venue: The Grand, Nelson Mandela Road, Vasant Kunj, New Delhi

As you are aware, India is entering a new phase in terms of global exposure and adoption of new technologies with the changing landscape in the global automotive industry today. With the paradigm shift and transformation in the IT field, the Cybersecurity in the automotive industry raises several distinct challenges around the risks evolving from IoT devices and sensors in manufacturing plants and across enterprise IT systems along with the emerging technology in front of connected vehicles. Every base needs to be covered in order to prevent, detect, and respond to possible security threats. The automotive industry is the new "**Battleground**" for cybersecurity. The risk of cyberattacks is growing along with the digitalization and the increased networking of machines and industrial plants.

In order to address this enhancing situation in Cyber Attacks, the Digital Committee & ACMA (Northern Region) are jointly organizing a half day "**National Conference & Display on Automotive Cyber Security - Risks & Safeguard**" on Tuesday, 18th April 2023, from 09.00 a.m. to 1.30 p.m. at The Grand, Nelson Mandela Road, Vasant Kunj, New Delhi - 110070.

The Conference will be the first of its kind event that will provide a platform to bring-in the Digital Transformation in the automotive industry / the latest in Cyber Security technologies which would safe-guard the organizations from being exposed to increasing cyber threats. ACMA Members pan India along will be invited to join the Conference.

The Conference will be an unique opportunity for networking with the IT Service Providers & ACMA members as also in understanding the latest trends / threats in Cyber Security and the ways to address the same.
