**Webinar on**  
**Building resilient supply chain with**  
**Technology Integration and Digital Manufacturing**  
**Friday, 11<sup>th</sup> June 2021: 3.00 to 5.00 p.m.**

**Online platform using WebEx**

As part of the various knowledge sessions being organized, ACMA (Northern Region) & Digital Sub-Pillar, are pleased to bring to its members a Special Webinar session on Building resilient supply chain with Technology integration and Digital Manufacturing **in association with Altem Technologies on Friday, 11<sup>th</sup> June 2021 from 3.00 to 5.00 p.m.**

*In the view of safety of the participants & to avoid spread of Covid19 this program is being organized "Online"*

Transportation and Mobility industry has been one of the most significant pillars of the emerging Indian economy, contributing substantially to the Indian GDP. Stringent regulatory compliance requirements like BS IV-VI in part with global standards coupled with ever increasing competition from overseas markets makes it the most challenging for the industries to operate. In addition to this, COVID-19 restrictions have increased the pressure to meet challenging targets on the already burdened industry. Empowerment through industry-focused collaboration & innovation, is the key to efficient mobility solutions without increasing costs or reducing quality.

In this session the speakers will demonstrate how leading suppliers in automotive ecosystem and their OEMs across the world use collaborative innovation platform to manage their ideation to prototyping through design for additive and manufacturing processes to build resilient, fail proof supply chains and not just meet, but beat product development timelines while adhering to regulatory compliances.

**Please attend this webinar if you are:**

- A compliance and quality leader looking to achieve highest quality standards at the lowest costs.
- A transportation and mobility (automotive) development leader looking to create faster and better solution.
- A transportation and mobility supply chain leader looking to reduce the lead time, costs and improve efficiencies of your supply chains.

**The speakers are as follows:**

- **Mr. Parna Ghosh**, Vice-President & Group CIO, **Minda Group** & Member - **ACMA Digital & Chairman-NR Digital Forum**
- **Mr. Daniel PYZAK**, Mechanical Industry Process Consultant, Mgt. Senior Director, **Dassault Systems**
- **Mr. Yann Rageul**, Head of Manufacturing BU Sales EMEA & Asia, **Stratasys**

**Moderator**

**Mr. Abhishek Kalra**, Associate Vice President, **Altem Technologies**

**Please note that this is a free webinar and that there are no participation charges.**
