Dear Member,

## EV Technology Show for Hero MotoCorp

9<sup>th</sup> -10<sup>th</sup> June 2022; Jaipur

Response requested by: May 20, 2022

I am pleased to mention that **Hero MotoCorp** has requested ACMA to organize an **EV Technology show for their EV Two-Wheelers Division**.

The ACMA EV sub-pillar together with ACMA Northern Region will be organizing this event on June 09-10, 2022 in Jaipur.

The indicative list of EV components that Hero MotoCorp is considering to source is as under:

- Motor & Controller
- Battery tech, BMS, Battery diagnosis and Health Monitoring
- Battery Cooling systems, Thermal Management
- Charger/ Charging systems (On-board, on-ground)
- Structural Parts, Lightweight solutions
- Converter (DC-DC)
- Telematics, Remote Diagnostics
- Vehicle tracking systems
- Vehicle Alert Systems
- E-braking, energy recovery
- EV accelerated testing system (Component & Vehicle)
- EV digital simulation technology (Battery, Thermal, Design / Testing of Controllers)
- Infotainment (TFT Display & Connectivity)

They may also consider other EV components not listed above.

Hero MotoCorp will shortlist the companies for display. Shortlisted companies will be provided a 9sq mtr booth for display of components and one-to-one meetings will be scheduled with Hero MotoCorp (subject to their interest/confirmation).

The venue details are being worked out to suit the convenience of Hero MotoCorp and we will be shortly come back to you regarding the cost of participation (based on the venue).

Hero MotoCorp has also conveyed that their top leadership is likely to inaugurate and interact with the participating ACMA members and has requested the top leaders of the participating companies to be present.

I request you to take advantage of this opportunity and **send us your responses latest by May 20, 2022** through the [Reply Form](#)

Kind Regards,
