

Bijoy K Bose
CEO & Chief Consultant,
AND Consulting

Mr Bose is the CEO & Chief Consultant of AND Consulting based out of Pune which provides consulting services on Business Development, Cost Efficiency, Quality Efficiency, Supplier Development & Export Capability, Project Management, SCM, Strategic Sourcing, Knowledge services etc. **He is the former Chairman of ACMA sponsored "All India IPO's Forum" representing various global auto and non-auto manufacturers in India.**

Mr Bose was formerly head of the India International Purchasing Organization for Cummins Inc.,USA and the corporate India ABO Purchase team for the Cummins group in India.

Prior to joining Cummins in 1994, Mr Bose served Tata Motors for 17 yrs. from 1976 to 1993 and worked in the areas of Quality Assurance, primarily in manufacturing quality of engine and vehicle components and later led Manufacturing of engines.

In 1994 he joined the new "Start-Up" Leadership Team for Tata Cummins Ltd. as Head of Plant Quality and Supplier Quality Improvement.

In 2001 Mr Bose joined Cummins India Limited, Pune as Head of Strategic Sourcing and accomplished significant improvements in their supply base such as supplier consolidation, quality improvement, outsourcing and material cost reduction.

He undertook responsibility for India Purchasing for Cummins including components exports from 2007 and helped enhance exports from \$160m to \$300m by 2012. During this period he implemented Project Management techniques to launch localization and other projects successfully.

His biggest achievement is formulating and implementing an extremely successful cost reduction program across the Cummins group of companies in India, which was successfully re-launched four times from 2005 to 2013.

In April 2016, he has been inducted into the board of Imperial Auto Industries Ltd. in Delhi, as an independent Director.

Mr Bose graduated in Production Engineering from Birla Institute Of Technology in 1975 and completed certification in Quality & Reliability (CQRE) from NIQR in 1988. He is a Certified Purchasing Manager from Institute of Supply Management, USA and an MBA from Adam Smith University of America.
