Seeking urgent inputs on Regulatory Compliance Burden

The Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India is the nodal Department has initiated a study on Ease of Doing Business and Reducing Compliance Burden. One of the focus areas of the exercise is to measure the pain points regarding “Cost of Doing Business”.

The purpose of this exercise is to capture compliance burden with regards to:

- Time and Cost of doing business (including Government Fee, fee paid to third parties to remain compliant, Time Cost etc.).
- Duplicate compliances/inspections/documents etc. by Government departments at Central and State level
- Recommendations for Simplification, reduction, and decriminalization of compliances/provisions

Members are requested to send requisite information on the above as per the attached format by 5th January 2022 at sushil.rajput@acma.in / ankit.dhiman@acma.in.

Your early response will help ACMA to make an appropriate submission to the Government.
