Production Release updates were issued on 20 March 2020. Please pay special attention to the daily/weekly quantities and mix as operating pattern adjustments are planned during the restart acceleration.

To ensure an organized stop and restart, suppliers are directed as follows:

Production:

- Follow Releases, globally
- Follow shipping instructions provided by LLP
- Vehicle and Powertrain plants will be open to receive material/shipments thru the downtime period

Service:

- FCSD will be open to receive material/shipments thru the downtime period
- Follow Releases and shipping instructions
- Develop and execute manufacturing/shipping plans to resolve any behind schedule conditions

Export: (Only if Applicable)

- Continue to meet releases for **Non IMG** customers as overseas shipment will continue through this time period

Communication:

- If your facility is affected by COVID-19 and causes you to cease operations for any period, immediately contact your Buyers (Production & Service) and STA Site Engineer.
- If you are unable to support a planned shipment, or have an imminent constraint, immediately contact Premium Logistics Management, +91 97908 99798.

We are confident we can work through these difficult times together.

Sincerely,
