Memo No: DI&C/2020/SPL-1
Dated, Chandigarh

Subject: Request to provide N-95 Masks, PPE Kits, Ventilators and other essential items, through members of CII as part of their CSR initiatives, for distribution in the State of Haryana

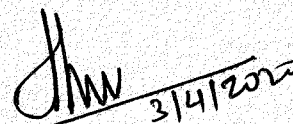

Kind reference to the subject cited above.

As you are aware, the COVID-19 Pandemic has affected people across the world and the Government of Haryana has been working tirelessly to overcome the grave situation by introducing measures to safeguard its people, businesses and jobs. It is the need of the hour for the Government and Industry to join hands and tackle this global crisis with a united front.

The doctors, health workers and paramedics in India are truly warriors in the current scenario and are working diligently towards overcoming this pandemic and ensuring the health and safety of all citizens. However, there are a number of challenges being faced by the medical community, posing serious threats to the nation's wellbeing. For example, in Haryana, there is a huge requirement of N95 Masks, PPE Kits, ventilators and other essential items, which are crucial components for prevention and recovery wrt COVID-19.

Given the scale and size of the pandemic, the Government of Haryana intends to extend its full support to the Healthcare system, to fight this battle against Coronavirus. It is observed that many members of your association may be involved in production/facilitation of N95 Masks, PPE Kits, ventilators and other essential items. Therefore, it is requested that CII may reach out to such members for donation of these items in maximum possible quantities, to the Government of Haryana, as part of the CSR initiatives of these member companies.

We look forward to the support and active participation of CII members in contributing to the above endeavor of Govt of Haryana.
