4th Edition - Global Summit & Exhibition : EVs- Transforming Mobility

India the global manufacturing hub for EV & EV Components

**Dates : 26th – 27th February, 2024 Venue :
Manekshaw Center, Delhi**

The EV market in India is witnessing steady growth for the last two year. In FY23, 1.15 million EVs were sold registering over 100% growth. As the EV market attains critical scale, the opportunity for components manufacturers to supply to EV and Charging Infrastructure industry is also gaining ground. That apart, there is a significant opportunity for Indian components manufacturers for export in this segment as well.

It is in this context that ACMA is organizing the 2nd edition of its “Global Summit & Exhibition on EVs - Transforming Mobility” on 26th -27th February 2024, at the Manekshaw Center, New Delhi.

Global players in the e-mobility segment from Germany, Korea, Taiwan, UK among others have also been invited to be a part of this event.

The event will also witness eminent leaders from the industry discuss the roadmap and landscape of electric mobility in India.

Key Highlights:

- Over 100 EV and EV Component manufacturers for all vehicle segments (2w, 3w, 4w, eBus / commercial vehicle) are expected to showcase their products & technologies
- Target visitors : OEMs; Ecosystem players; Technology Players; Start-ups and Policy makers
- Delegations from major Automotive markets
- Power-packed Seminar and Networking opportunities

How to participate:

A. Participating as an Exhibitor:
