Subject: Guidelines for the Operation of Production Linked Incentive Scheme - 2.0 for IT Hardware

1. Background

1.1. The Production Linked Incentive Scheme (PLI) for IT Hardware (hereinafter referred to as ‘Scheme’) was notified vide notification No. W-18/28/2020-IPHW-MeitY dated 3rd March 2021.

1.2. The Production Linked Incentive (PLI) Scheme 2.0 for IT Hardware (hereinafter referred to as ‘Scheme’) has been notified vide notification No. CG-DL-E-30052023-246165 dated 29th May 2023.

1.3. In pursuance of para 13 of said notification and for the effective operation and smooth implementation of the Scheme, the following guidelines are being laid down that are to be read along with the scheme. In case of any inconsistency between the scheme and the guidelines, the provisions of the scheme shall prevail.

1.4. These guidelines have been prepared after detailed consultations with industry and other relevant stakeholders.

2. Definitions

2.1. Applicant: An Applicant for the purpose of the Scheme is a company registered in India, proposing to manufacture goods covered under the Target Segment, and making an application for seeking approval under the Scheme. The applicant can operate new and/ or existing manufacturing facility(ies) to manufacture said goods. The aforesaid manufacturing can be carried out at one or more locations in India.

2.2. Application: Application submitted by an applicant to Project Management Agency (PMA)/ MeitY as per the Application Form prescribed at **Annexure 3** of these Guidelines containing requisite information, along with supporting documents and application fee.

- 2.3. Application Approval Date:** The date on which, based on an application, approval under the Scheme is issued by the Project Management Agency (PMA).
- 2.4. Application Window:** Time period allowed for filing of applications. In accordance with Para 6.1 of the Scheme, the Application Window shall be till 31st July 2023 initially which may be extended and/ or reopened based on response from the industry.
- 2.5. Base Year:** FY 2022-23 shall be treated as the base year for computation of net incremental sales of manufactured goods for applicants opting for incentive on incremental sales of FY 2023-24. If an applicant opts for incentive on incremental sales of FY 2024-25 or FY 2025-26, in such cases FY 2023-24 and FY 2024-25 shall be treated as the base year respectively.

For applicants, opting to migrate from existing PLI Scheme for IT Hardware notified vide notification no. W-18/28/2020-IPHW-MeitY dated 3rd March 2021, refer clause 10.

- 2.6. Competent Authority:** Competent Authority under the Scheme shall be defined as per OM F. No. 32(03)/PF-II/2020 dated 01.10.2020 issued by Department of Expenditure, Ministry of Finance, or any subsequent modifications thereof.
- 2.7. Domestic Company(ies):** Domestic Company(ies) shall be defined as those which are owned by resident Indian citizens as defined in the FDI Circular of 2020. A company is considered as ‘Owned’ by resident Indian citizens if more than 50% of the capital in it is beneficially owned by resident Indian citizens and / or Indian companies, which are ultimately owned and controlled by resident Indian citizens.
- 2.8. Domestic Value Addition:** Domestic Value addition shall be computed as below (A divided by B):
- A. Net Sales minus value of non-originating Material and Services used in manufacturing.
 - B. Net Sales
- 2.9. Electronics Hardware products / sub-assemblies / components:** Electronics Hardware products for the purpose of the Scheme shall mean mobile phones, telecom products, IT hardware products (including

desktops and target segment under the scheme), and their sub-assemblies and components. However, only target segments mentioned in para 2.26 are eligible for incentive under PLI Scheme 2.0 for IT Hardware.

2.10. Eligible Product: Goods manufactured in India and covered under the Target Segment with invoice value as applicable to the respective categories of applicants as defined in **Annexure 1** of these Guidelines.

2.11. Employment: Jobs which are directly involved in the production process or with related activities beginning from when materials enter a production facility and up until the resultant manufacturing good leaves the production facility. Such employment shall include on-roll, contractual and apprentice workforce in the country only.

2.12. Empowered Group of Secretaries (EGoS): EGoS is the Committee chaired by the Cabinet Secretary. The EGoS will monitor the Scheme, undertake periodic reviews of the outgo under the Scheme and take appropriate action to ensure that the expenditure is within the prescribed outlay as approved by the Cabinet.

2.13. Financial Year: Financial Year (FY) begins on the 1st of April of a year and ends on 31st March of the following year.

2.14. Force Majeure: Extraordinary events or circumstances beyond human control such as an event described as an act of God (like a natural calamity) or events such as a war, strike, public health emergency, riots, crimes (but not including negligence or wrong-doing, predictable / seasonal rain and any other events specifically excluded).

2.15. Group Company(ies): Group Company(ies) shall mean two or more enterprises which, directly or indirectly, are in a position to:

- Exercise twenty-six percent or more of voting rights in other enterprise; or
- Appoint more than fifty percent of members of board of directors in the other enterprise.

As defined in the FDI Policy Circular of 2020.

2.16. Incremental Investment: Investment made in India as under:

- (i) For applicants already approved under PLI Scheme for IT Hardware notified vide notification no. W-18/28/2020-IPHW-MeitY dated 3rd

March 2021 and migrating to PLI Scheme 2.0 for IT Hardware, the investment made from 1st April 2021 (refer clause 10 of the Scheme Guidelines)

- (ii) For other applicants, investment made on or after 1st April 2023
- (iii) In case application window is reopened for inviting application again, the cut-off date for eligibility of investment shall be specified accordingly in the notification that will be issued for reopening the application window.

2.17. Investment: “Investment” as mentioned in Para 5.2 of the Scheme shall mean:

- (i) Expenditure incurred on Plant, Machinery, Equipment and Associated Utilities: This shall include expenditure on plant, machinery, equipment, and associated utilities as well as tools, dies, moulds, jigs, fixtures (including parts, accessories, components, and spares thereof) of the same, used in the design, manufacturing, assembly, testing, packaging, or processing of any of the goods covered under the Target Segment. It shall also include expenditure on packaging, freight / transport, insurance, and erection and commissioning of the plant, machinery, equipment, and associated utilities. Associated utilities would include captive power and effluent treatment plants, essential equipment required in operations areas such as clean rooms, air curtains, temperature and air quality control systems, compressed air, water & power supply, and control systems. Associated utilities would also include IT and ITES infrastructure related to manufacturing including servers, software, and ERP solutions. All non-creditable taxes and duties would be included in such expenditure.
- (ii) Expenditure incurred on Research and Development (R&D): Capital expenditure on R&D and product development related to the Target Segment. The term “related” here refers to all stages in the entire value chain of the goods proposed to be manufactured including software integral to the functioning of the same. Such expenditure shall include expenditure on in-house and captive R&D, directly attributable to goods covered under the Target Segment, including all stages in the entire value chain of the goods proposed to be manufactured including software integral to functioning of the same. Such expenditure shall include test and measuring instruments, prototypes used for testing, purchase of design tools, software cost (directly used for R&D) and license fee,

expenditure on technology, IPR, Patents and Copyrights for R&D. All non-creditable taxes and duties would be included in such expenditure.

- (iii) Expenditure related to Transfer of Technology (ToT) Agreements: This shall include cost of technology and initial technology purchase related to goods covered under the Target Segment. All non-creditable taxes and duties would be included in such expenditure.
- (iv) Expenditure incurred on Land and Building: The expenditure incurred on land and building (including factory building / construction) required for the project / unit is not covered under the Scheme and, therefore, will not be considered for determining eligibility under the Scheme.

2.18. Invoice Value: Unit Price charged on an invoice raised by an applicant on sale of manufactured goods, net of credit notes (raised for any purpose), discounts (including but not limited to cash, volume, turnover, target or for any other purpose), or any other adjustments/ refunds to customers against sales consideration and applicable taxes.

It is clarified that in for export sales:

- (i) Value of invoices issued under GST rules as per exchange rate notified by CBIC shall be considered (refer rule 34 of CGST Rules). In case company is not issuing GST invoices as per rate notified by CBIC, the prevailing exchange rates as on the date of GST invoice shall be considered.
- (ii) Free on Board (FOB) value of export sales will be considered. FOB value shall be considered as per books of accounts, if the actual sales terms with buyer is on FOB basis. If the actual sales terms are other than FOB basis, lower of sales values as per book of account or FOB sales value as per shipping bill, filed for the purpose of export, shall be considered.

2.19. Manufacturing: In accordance with Central Goods and Services Tax (CGST) Act, 2017; manufacturing shall mean processing of raw material or inputs in any manner that results in emergence of a new product having a distinct name, character and use and the term “manufacturer” shall be construed accordingly

- 2.20. Net Incremental Sales:** Net Sales of Manufactured Target Segment Goods over a given period minus the Net Sales of Manufactured Target Goods over the corresponding period in the Base Year.
- 2.21. Net Sales:** Gross sales net of credit notes (raised for any purpose), discounts (including but not limited to cash, volume, turnover, target or for any other purpose), any other adjustments/ refunds to customers against sales consideration, applicable taxes, expenses pertaining to advertisement and sales promotion, and brand royalty.
- 2.22. Non-Originating Material and Services:** Material and Services whose country of origin is other than the country in which that material / service is used in manufacturing and any material / service whose origin cannot be determined.
- 2.23. Project Management Agency (PMA):** Refers to the Financial Institution(s) or any other authority(ies) appointed by MeitY to act on its behalf for receipt and appraisal of applications, determination of baselines, verification of eligibility and examination of disbursement claims through any method/ document deemed appropriate and for managing the above-mentioned in accordance with these Guidelines.
- 2.24. Related Party(ies):** The term related party shall be as defined in Accounting Standard-18: Related Party Disclosures or Indian Accounting Standard (Ind-AS)-24 Related Party Disclosure, as may be applicable to the applicant, as notified by Ministry of Corporate Affairs or any other appropriate authority from time to time.
- 2.25. Successor-in-Interest:** Successor-in-Interest shall mean the new or re-organized entity formed after the merger, demerger, acquisition, transfer of business or significant change in ownership of an applicant.
- 2.26. Target Segment:** In accordance with Para 4 of the Scheme, the Target Segment shall include (i) Laptops (ii) Tablets (iii) All-in-One PCs (iv) Servers and (v) Ultra Small Form Factor (USSF), manufactured in India and complete in all respect for sale to consumers.

For **Servers** to be eligible under the Scheme, applicants shall use firmware from Indian sources or other trusted foreign sources as certified by MeitY.

3. Qualification Criteria and Selection under the Scheme

- 3.1.** There are three categories for applications viz (i) Global Company (ii) Hybrid (Global/ Domestic) Company and (iii) Domestic Company.

A Domestic Company, as defined in clause 2.7 of Scheme Guidelines, may apply under the Category: (i) Domestic Company or (ii) Hybrid (Global/ Domestic) company.

Any company other than Domestic Company can apply under the Category: (i) Global Company or (ii) Hybrid (Global/ Domestic) Company.

- 3.2.** The applicants may apply under any category as mentioned above as their Primary Preference and/ or Secondary Preference. In case, an applicant is not selected in the category applied as Primary Preference, the application shall be assessed in the category applied as Secondary Preference.

- 3.3.** For the purpose of qualification criteria, the revenue of **FY 2021-22** shall be considered irrespective of 1st year of incentive opted by the applicant. Eligibility shall be subject to qualification criteria as under:

(i) **For application under Global Companies:** Consolidated Global Manufacturing Revenue of the applicant (including its Group Companies) should be greater than INR 5,000 crore for the target segment or greater than INR 10,000 crore for electronics hardware products/ sub-assemblies/ components.

(ii) **For application under Hybrid (Global/ Domestic) Companies** qualification criteria shall be as under:

a. **Global Companies:** For a company to qualify as Global company under hybrid category, Consolidated Global Manufacturing Revenue of the applicant (including its Group Companies) should be greater than INR 5,000 crore for the target segment or greater than INR 10,000 crore for electronics hardware products/ sub-assemblies/ components.

b. **Domestic Companies:** For a domestic company to qualify under hybrid category, Consolidated Global Manufacturing Revenue of the applicant (including its Group Companies) should be greater than INR 10 crore for the target segment or greater than INR 20 crore for electronics hardware products/ sub-assemblies/ components.

- (iii) **For application under Domestic Companies:** Consolidated Global Manufacturing Revenue of the applicant (including its Group Companies) should be greater than INR 10 crore for the target segment or greater than INR 20 crore for electronics hardware products/ sub-assemblies/ components.
- 3.4.** In case of brand owners manufacturing themselves and/or engaging contract manufacturers for production of Target Segment Goods/ Electronics Hardware Products/ Sub-assemblies/ Components, sales of such items by brand owners may be considered as manufacturing revenue of brand owners for the purpose of Qualification Criteria.
- 3.5.** The applicant shall submit a self-certified statement of consolidated global revenue for FY 2021-22 in the format prescribed in **Annexure 4**. If any company is following calendar year, the revenue shall be calculated by applicant on financial year basis.
- 3.6.** Any applicant meeting either of the revenue threshold mentioned in para 3.3 shall be eligible for consideration. However, ranking of all the applicants shall be done in the order of Global Manufacturing Revenue of Electronics Hardware Products/ Sub-Assemblies/ Components, irrespective of the category in which application has been made.
- 3.7.** The indicative budgetary allocation for the Category (i) Global Companies and (ii) Hybrid (Global/ Domestic) Companies is ₹ 15,544 crore and for the category: Domestic Companies is ₹ 1,395 crore.
- 3.8.** While filing the applications under the Scheme, the applicant shall provide the estimates of their sales projection, localisation plan and annual incentive projection. The incentive projection provided by the applicant, shall be considered for arriving at the budgetary allocation for each applicant and number of eligible applicants shall be selected accordingly within overall budgetary outlay of the Scheme.
- 3.9.** In case the available budget for any applicant is lower than incentive projection as per application, the applicant may be given an option to accept approval with available budget. Such applicant shall, however, be required to meet the threshold applicable for the category in which application was made.

- 3.10.** In case, there is saving of budget in any category, such saving may be utilised for another category, if eligible applicants are available under that category.
- 3.11.** The ranking of applicant shall be done based on the Global Manufacturing Revenue of electronics hardware products/ sub-assemblies/ components. For example:

Applicant Name	Class of Company	Category (Primary Preference)	Global Manufacturing Revenue of		Ranking
			Electronics hardware products/ sub-assemblies/ components (Clause - 2.9)	Target Segment (Clause - 2.26)	
Company A	Global	Global Companies	18000	17000	1
Company B	Global	Hybrid Companies	17000	16000	2
Company C	Global	Global Companies	16000	15000	3
Company D	Domestic	Hybrid Companies	15000	14000	4
Company E	Global Company	Hybrid Companies	7000	4500	Not Eligible
Company G	Global Company	Hybrid Companies	8000	5200	5
Company F	Domestic Company	Domestic Company	7000	5500	6
Company H	Domestic	Domestic Company	100	50	7

In the above table, Company E is not meeting any revenue threshold criteria applicable for its calls of company and therefore is not eligible.

Applicants A to D and F to H are eligible as they are meeting either of the two-revenue threshold criteria, applicable for their class of companies.

The ranking of eligible applicants has been done based on the Global Manufacturing Revenue of electronics hardware products/ sub-

assemblies/ components irrespective of class of company or category in which application was made.

The applicant will be selected in the order of ranking, for the category (i) Global Companies and (ii) Hybrid (Global/ Domestic) Companies against the collective budget available for these categories. Accordingly, applications of A, B, C, D and G shall be considered in the order of their ranking.

The application F and H shall be considered under the category: Domestic Companies within budgetary outlay available for this category, in the order of their ranking.

If savings are available under any category, the same may be used to select applicants under another category. If Primary Preference of any applicant could not be approved due to budgetary constraints, the application shall be assessed for category applied as Secondary Preference, within available budgetary outlay.

4. Incentive Period

4.1. The incentive shall be given for a period of 6 years during Scheme Tenure. The applicants shall have option to select the 1st year for which incentive is to be claimed and applicable period shall be consecutive 6 years. For applicants migrating from existing PLI Scheme, please refer clause 10 of the Scheme Guidelines.

4.2. For FY 2023-24, the applicable period shall be from 1st July 2023 to 30th June 2029. For applicants, selecting FY 2024-25 or 2025-26 as first year of incentive, the applicable period shall be from 1st April 2024 to 31st March 2030 and 1st April 2025 to 31st March 2031 respectively.

For migrated applicants, please refer Para 10.

4.3. It is clarified that, for applicants selecting FY 2023-24 as first year of incentive claim, applicable threshold of incremental sales shall be as under:

- (i) For the period from 1st July 2023 to 31st March 2024, incremental threshold sales criteria shall be 3/4th of the minimum incremental sales threshold applicable for first year i.e. INR 750 crore for the Category: Global Companies, INR 375 core for Hybrid (Global/ Domestic) Company and INR 37.50 crore for Domestic Company.

- (ii) For 1st April 2029 to 30th June 2029, incremental threshold sales criteria shall be 1/4th of the minimum incremental sales threshold for 6th year i.e. INR 3,750 crore for the Category: Global Companies, INR 1,875 core for Hybrid (Global/ Domestic) Company and INR 125 crore for Domestic Company. The rate of incentive applicable for Year 6 shall apply for incentive calculation.

5. Eligibility Criteria for Incentive Claims

- 5.1.** The incentive shall be given on the sales of Target Segment Goods manufactured in India by the applicant or through a contract manufacturer of applicant.
- 5.2.** An applicant must meet eligibility threshold criteria of ‘Incremental Investment (with or without relaxation provided in 5.7 to 5.9)’ and ‘Net Incremental Sales’ of Manufactured Target Segment Goods over the base year as defined in **Annexure I**, to be eligible for incentive for the year under consideration.
- 5.3.** In case an applicant does not meet threshold criteria of ‘Incremental Investment (with or without relaxation provided in 5.7 to 5.9)’ and ‘Net Incremental Sales’ for any given year, the applicant shall not be eligible for incentive in that particular year. However, the applicant will not be restricted from claiming incentive in subsequent years during the tenure of the Scheme, provided eligibility criteria are met for such subsequent years.

Incremental Sales

- 5.4.** For the purpose of determining eligibility of an applicant (for all the categories of application) with respect to ‘Net Incremental Sales’ for any year, the net sales of Target Segment goods manufactured in India for such year over the Base Year shall be considered, irrespective of Invoice Value.

Further, sales of Target Segment Goods manufactured in India by applicant or through contract manufacturer shall be considered for eligibility threshold, irrespective of whether such sales meets the criteria of minimum localisation or not.

- 5.5.** It is clarified that for the purposes of incentive calculation, sales of Target Segment Goods/ Eligible Products manufactured in India and complying

with the criteria of minimum localisation over base year sales shall be considered.

For Example:

- (i) Applicant A makes application for Laptops and the manufacturing sales of laptops in base year was Rs. 100 crore. In the Year -1 manufacturing sales of Laptops is Rs. 2000 crore out of which PCBA has been carried on sales of Rs. 1100 crore.

In such case, for the purpose of eligibility threshold criteria of incremental sales, incremental sales of Rs. 1,900 crore shall be considered.

However, for incentive calculation, incremental sales shall be Rs. 1,000 crore.

- (ii) In the same example, in Year – 2, total manufacturing sales is Rs. 3,000 crore out of which PCBA was carried on sales of Rs. 2,500 crore. Further, one component was localised during the year and out of sales of Rs. 2,500 crore, localised component was used in sales of Rs. 500 crore.

In such case, for the purpose of eligibility threshold criteria of incremental sales, incremental sales of Rs. 2,900 crore shall be considered.

However, for incentive calculation, incremental sales shall be Rs. 2,400 crore (since localisation of component is allowed anytime during the year, sales with PCBA is eligible in Year -2). Incentive for PCBA and Assembly shall be given on sales of Rs. 2,000 crore and incentive for PCBA, Assembly and localised component shall be given on the sales of Rs. 400 crore (as per Para 18.1 (b)).

- 5.6.** It is clarified that the baseline sales and incremental sales for incentive shall be considered only for those Target Segment goods for which application was made and approval was granted by MeitY.

For example, an applicant is manufacturing (i) Laptops (ii) Servers and (iii) Tablets. But application under the Scheme was filed only for (i) Laptops and (ii) Tablets. In this case, the sales of (i) Laptops and (ii) Tablets shall only be considered in base year as well as in incentive claim year for calculation of incremental sales for the purpose of both eligibility and incentive.

Incremental Investment

- 5.7. For the purpose of determining eligibility of an applicant with respect to 'Incremental Investment' for any year, the cumulative value of investment done till such year (including the year under consideration) from the cut-off date as defined in para 2.17 shall be considered.
- 5.8. In case there is a shortfall (X%) in cumulative investment by an applicant for any year and shortfall is not more than 40% of the cumulative investment threshold applicable for that year, the applicant will be eligible to claim incentive, provided sales threshold and other conditions for eligibility of incentive have been complied with. In such cases, incentive for that year shall be held back by half of the % shortfall in investment (X/2%).
- 5.9. In case, applicant meets cumulative investment target in subsequent year during the Scheme tenure, as applicable for that year, the incentive held back earlier will be released without interest.

For example,

An applicant is required to make cumulative incremental investment of ₹ 100 crore in Year – 2. However, cumulative incremental investment made by this applicant till Year -2 is ₹ 70 crore. In this case shortfall in cumulative investment vis-à-vis threshold criteria is 30%. The incentive for Year 2 shall be subject to deduction of 15% of incentive payable, if applicant is meeting all other the conditions and eligibility criteria.

If the cumulative incremental investment threshold for Year -3 is ₹ 150 crore and applicant make cumulative incremental investment of ₹ 150 crore in Year -3, the amount deducted from incentive paid in Year -2 shall be refunded without interest.

Localisation of Components/ Sub-Assemblies

- 5.10. The applicant is required to localize at least PCBA (PCB Assembly) and assembly of Target Segment Finished Goods from the first year. Accordingly, In the first year, manufacturing sales on which Assembly and PCBA has been carried shall only be considered for incentive claim.

Thereafter, one component/sub-assembly as given in Annexure 2 is required to be localised anytime during each subsequent financial year. (Annexure, page 54)

- 5.11.** To promote early localisation, it is provided that if an applicant does localisation of more than one component/ sub-assemblies in any year, the localisation in excess of one component/ sub-assembly may be considered for compliance with this clause in subsequent year(s).
- 5.12.** The date of localisation of component shall be considered based on the date of first sales invoice of the finished Target Segment Goods, in which the same has been used.
- 5.13.** Incentive offered for localization of each component/ assembly shall be as per rates given in Annexure 2, for respective years during Scheme Tenure. The incentive for any localised component shall be given on the sales from the date of localisation of such component.
- 5.14.** The eligibility of sales with minimum localisation requirement shall be considered at product level for which approval was granted under the Scheme.

For example

A company was approved for (i) Laptops and (ii) Tablets. In case, the Company comply with minimum localisation requirements for laptops but not for tablets. The sales of laptop meeting minimum localisation requirements shall be eligible for incentive, subject to compliance with other conditions.

- 5.15.** Once a component/ sub-assembly has been localised and incentive has been claimed on the same, manufactured Target Segment goods sales shall be considered eligible for incentive only if such localised components/ sub-assembly have been used in such sales.

It is clarified that, if any applicant has done localisation of components/ sub-assemblies in excess of mandatory localisation applicable for any year and subsequently any such localised component is discontinued . In such a case, the sales will be considered for incentive if minimum localisation applicable for that year is complied with. Incentive shall not be granted on the component discontinued in that year.

For Example:

- a) An applicant localises component A in Year – 1 from 1st January. Thereafter, any manufacturing sales not containing component A shall not considered for eligibility for incentive.

b) An applicant localises component A and B in Year – 1 and subsequently in Year – 2, product B is discontinued from 1st July 2023. The sales shall be considered as eligible as in Year 2 only one component has to be localised. However, incentive shall not be allowed on Component B in Year -2.

5.16. Any component/ sub-assembly shall be considered as localised after meeting the requirement of local content/ value addition as per Public Procurement (Preference to Make in India) Order W-43/4/2019-IPHWMitY dated 07.09.2020, as amended from time to time.

5.17. In case localisation of component/ sub-assemblies are done through contract manufacturer/ supply chain partner, the applicant shall be responsible for ensuring that the contract manufacturer/ supply chain partner is actually producing the component/ sub-assembly in India in compliance with para 5.11 of the Scheme Guidelines. The applicant shall provide a declaration from the component supplier as per **Annexure 12**.

Incentive Ceilings & Distribution of Savings

5.18. The annual incentive projection provided by the applicant shall become the annual ceiling of incentive for respective financial year. To bring discipline in the projections and ensure realistic targets, it is provided that in case actual incentive claimed by applicant for any year is lower than incentive projection for that year, the incentive claims for that year shall be deducted by:

- (i) 5% of the incentive payable, if the shortfall is more than 25% and upto 50% of the incentive projection.
- (ii) 10% of the incentive payable, if the shortfall is more than 50% of the incentive projection.

It is clarified that in case no incentive is payable for that year, there shall be no penalty or recovery on account of this clause.

5.19. There will be an overall ceiling on incentive payable to any applicant during Scheme tenure, including incentive on over performance and incentive received under PLI Scheme 1.0 notified vide notification dated W-18/28/2020-IPHW-MeitY dated 3rd March 2021, if any. The ceiling will be ₹4,500 Crore for Global companies, ₹2,250 Crore for Hybrid (Global/Domestic) companies and ₹500 Crore for Domestic companies.

5.20. In case there is a saving of incentive in any particular year due to lower claim of incentive by some applicants or any other reason, such unutilised incentive may be awarded to the applicants who have over performed their annual incentive projections for the same year. The over performance may be due to any reason like higher sales or early localisation of components/sub-assemblies. The distribution of savings shall be calculated as under:

(i) In case, savings under the Scheme in any year are more than incentive payable on over performance, entire incentive over and above the annual ceiling shall be paid subject to ceiling mentioned in para 5.19 .

If the incentive claim by some applicants is lower by ₹ 100 crore from their annual incentive projections and Applicant X and Applicant Y have claimed ₹50 crore and ₹30 crore over and above their incentive projections, respectively. Applicant X and Y both will be given additional incentive to the extent of their claim.

(ii) In case, savings under the Scheme in any year are less than the incentive payable on over performance, the savings shall be distributed proportionately amongst the over performing applicants in the ratio of the incentive payable over and above annual ceiling to each applicant subject to ceiling mentioned in para 5.19.

If the incentive claim by some applicants is lower by ₹ 50 crore from their incentive projections and Applicant X and Applicant Y have claimed ₹ 50 and ₹30 crore over and above their incentive projections, respectively. The savings of ₹ 50 crore shall be distributed between Applicant A and B proportionately in the ratio of their additional incentive claim.

5.21. Eligibility under PLI Scheme shall not affect eligibility under any other scheme except as mentioned in Para 6.1(vi) and vice-versa.

6. Investment for Determining Eligibility

6.1. General Terms and Conditions

- (i) Investment as defined in **clause 2.17** of these Guidelines shall be considered for determining eligibility under the Scheme provided such investment is made on or before cut-off date as defined in **clause 2.16**.
- (ii) Expenditure on consumables and raw material used for manufacturing shall not be considered as Investment.

- (iii) For the purpose of cut-off date for incremental sales as per clause 2.17, the date of invoice would be considered as the date of investment under the Scheme.
- (iv) The heads of investment, based on which eligibility is being determined, must be capitalized in the books of accounts of the applicants or their contract manufactures.
- (v) For the purpose of determining eligibility of an applicant with respect to Incremental Investment, the investment considered under this Scheme shall not be considered for determining eligibility under any other PLI Scheme and vice-versa.
- (vi) In case applicant has availed benefit of incentive on investment under SPECS Scheme, such investment shall not be considered for the purpose of determining eligibility with incremental investment thresholds. This condition shall apply to investment made by contract manufacturer also, if contract manufacturer has availed benefit of incentive under SPECS Scheme on such investment.

6.2. Plant, Machinery and Equipment

- (i) Expenditure incurred on Plant, Machinery & Equipment as defined in Para 2.18 (i) of these Guidelines shall be considered as Investment for determining eligibility under the Scheme.
- (ii) Plant, machinery, and equipment must be purchased/ leased in the name of the applicant/ contract manufacturer. In cases where these are being leased, the lease should be in the nature of a financial lease within the meaning of Accounting Standard 19 – Leases or Indian Accounting Standard (Ind-AS) – 116 Leases, as may be applicable to the applicant, as notified by Ministry of Corporate Affairs or any other appropriate authority from time to time.
- (iii) The used/ refurbished plant, machinery and equipment allowed under the Scheme shall have a minimum residual life of at least 5 years as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016, amended vide Ministry of Environment, Forest and Climate Change Notification dated 11.06.2018. Further, a valuation certificate by a Chartered Engineer assessing the value and residual life shall also be required. In case of import, such valuation should be in accordance with Customs Valuation Rules and Circulars. The value of

these plant, machinery and equipment shall be considered as lower of depreciated value (as per scale of depreciation fixed by Customs, whether these plant, machinery and equipment are imported or not) and the value assessed by Chartered Engineer (of India) or equivalent overseas chartered engineer.

- (iv) In such case that plant, machinery, equipment, tools, dies, moulds, jigs, fixtures and parts, accessories, components, and spares are located outside the premises of an applicant, appropriate undertaking(s) from the person having custody of these equipment / components along with valid legal agreement(s) for the said transaction(s) shall be obtained. These equipment / components should not be located outside the country. The format of the undertaking is placed at **Annexure 5**.
- (v) Plant, machinery, and equipment shall be procured / leased through legally valid documents after payment of applicable taxes and duties.
- (vi) The plant, machinery and equipment approved under the Scheme should be used in regular course for manufacturing of the goods under the Target Segment that are approved in the approval letter issued by PMA. This does not preclude the usage of such plant, machinery, and equipment for manufacturing of electronic goods other than the Target Segment. The applicant must submit a declaration as per **Annexure 6** about usage of plant, machinery, and equipment for each year during the period that such applicant is claiming incentive under the scheme.
- (vii) The PMA will rely on certificates from Chartered Engineer or any valuer registered with Insolvency & Bankruptcy Board of India, and valuation considered under Customs Rules, wherever applicable, for the purpose of determining reasonableness of cost.

- (i) Expenditure incurred on associated utilities as defined in Para 2.17 (i) of these Guidelines shall be considered as Investment for determining eligibility under the Scheme.
- (ii) The associated utilities will be capped at rates specified in the CPWD schedule of rates for items whose rates are available under CPWD schedule of rates. Wherever CPWD rates are not available, as certified by Chartered Engineer, the cost of assets as per books shall be considered.
- (iii) The applicant shall provide a statutory auditor certificate in respect of expenditure related to associated utilities.

7. Related Party Transactions

- 7.1 All transactions with Related Parties will be subject to provisions of relevant statutes and Accounting Standard-18 as amended from time to time.
- 7.2 The basis of pricing and other terms for related party transaction should be approved by appropriate authority as per provision of Companies Act, 2013, as may be applicable to the applicant.
- 7.3 In case, applicant is required to file Form 3CEB, the pricing of transactions with relates parties should be in line with the basis of pricing adopted for justification of arm's length price in Form 3CEB.

8. Contract Manufacturing Arrangement

- 8.1 The applicants shall be allowed localize the manufacturing of finished goods and sub-assemblies/ components through their domestic contract manufacturers and supply chain partners.

- 8.2 In case of contract manufacturing arrangements, incentive on sales of Target Segment goods shall be claimed only once either by the Brand Owner or Contract Manufacturer, even if both are applicants under the Scheme. The applicant will submit an undertaking (as per Annexure 14) that their contract manufacturer has not claimed incentive on this sale under any PLI Scheme.
- 8.3 The investment made by such contract manufacturers may be considered for eligibility of threshold incremental investment by applicant, subject to compliance with these Guidelines. The contract manufacturer has to give declaration as given in **Annexure 13**.
- 8.4 The arrangement of contract manufacturing shall be exclusive for PLI applicant (s) wherever investment of the contract manufacturer is to be considered for eligibility threshold of the incremental investment by an applicant.
- 8.5 In case of joint arrangement, the share of investment to be considered for each applicant shall be defined at the inception of arrangement. Further, it shall be the duty of applicant to ensure that investment claimed by all the applicants under the Scheme should not exceed investment made by contract manufacturer under any circumstances.
- 8.6 The applicant shall give prior intimation of the contract manufacturing arrangement with particulars of the contractor and necessary agreement with them. The eligibility for investment and localisation shall be considered from the date of such agreement or date of intimation to PMA, whichever is later. In case, date of intimation is within 90 days of the agreement, the date of agreement shall be considered.
- 8.7 At the time of intimation, applicant shall inform the name of contract manufacturer, address where investment is being made, product for which investment has been made, name of participants in the contract, roles and responsibilities of the parties to contract, commercial arrangement related to investment, estimated investment, project report/ capex details and investment sharing ratio, if any.
- 8.8 It shall be the duty of the applicant and the contract manufacturer to ensure that investment considered for PLI Scheme shall be kept separately identified with the name of PLI applicant (s).

- 8.9 In case any contract manufacturing arrangement is rescinded or terminated, the gross block of investment considered such contractor shall be excluded from cumulative eligible investment considered for eligibility under the Scheme for subsequent years, from the date of termination.
- 8.10 For continued consideration of the investment made by contractor manufacturer, it is required that the relevant contractual arrangement is valid and there is actual procurement of the products/ components/ sub-assemblies from such contractor during the year.
- 8.11 It shall be the responsibility of the applicant to ensure that all documentation associated with contract between applicant and contract manufacturer is made available to PMA.
- 8.12 It shall be the responsibility of the applicant to facilitate site visit and/ or furnishing requisite information/ documents/certificates as may be required under the scheme as and when required by PMA or its authorised representative.

9. Approval of additional product within Target Segment

- 9.1 During the Scheme tenure, applicant shall have option to include additional products from Target Segment, which were not included in the application with prior approval from MeitY. In such cases, the additional product may be considered from the next financial year, after the approval from MeitY.
- 9.2 In such cases, the baseline sales shall be revised if applicant was manufacturing such product in base year.
- 9.3 The requirement as to localisation of component/ sub-assemblies shall be applicable, as per Scheme.

10. Migration from PLI Scheme for IT Hardware notified vide notification no. W-18/28/2020-IPHW-MeitY dated 3rd March 2021

The provision related to migration of application from existing PLI Scheme for IT Hardware is summarised hereunder. The other clauses of Scheme Guidelines shall mutatis mutandis be applicable to those who will migrate to PLI 2.0. Any applicant approved under PLI Scheme for IT Hardware (hereinafter referred to as ‘approved applicants’) shall have following options:

To continue with earlier Scheme:

- 10.1 The approved applicants under PLI Scheme for IT Hardware notified vide notification no. W-18/28/2020-IPHW-MeitY dated 3rd March 2021 have option to remain in that Scheme. In such a case, such approved applicant or their Group Company will not be eligible to apply under PLI 2.0 Scheme.

Migration to PLI Scheme 2.0 for IT Hardware (PLI 2.0):

- 10.2 In case, any approved applicant or its Group Company is approved under PLI 2.0 Scheme, it has to withdraw its application from the earlier Scheme.
- 10.3 The application of such an approved applicant shall be considered as per Qualification Criteria under this Scheme and processed afresh for approval. Earlier approval shall not automatically be considered sufficient for migration to PLI 2.0 Scheme.
- 10.4 **Applicants not having claimed any incentive in earlier Scheme:** In case, an approved applicant has not claimed any incentive under the earlier Scheme, it will be treated as new applicant under this Scheme and the provision of Base Year, Incentive Rate, Localisation, Thresholds of Incremental Sales and Investment shall be applicable accordingly.
- 10.5 **Applicants having claimed any incentive in earlier Scheme:** Approved applicants under existing PLI Scheme have option to claim incentive of Year 1 and/ or Year 2 under that Scheme and migrate to PLI Scheme 2.0 for IT Hardware. In such cases, the provision of PLI Scheme 2.0 for IT Hardware shall be as under:
- (i) The first year under PLI Scheme 2.0 shall be considered as succeeding to the year for which incentive was actually claimed in existing PLI Scheme (Year 2 or Year 3, as the case may be).
 - (ii) The first year selected by applicant in PLI Scheme 2.0 for IT Hardware shall be considered 2nd or 3rd year of the Scheme (as the case may be) and threshold of incremental sales and investment shall be applicable accordingly.
- If applicant selects FY 2023-24 as first year of incentive under this Scheme, applicable period of incentive shall start from 1st July 2023. Further, eligibility criteria for threshold incremental sales for 9 months in FY 2023-24 and 3 months in last year of incentive

claim, shall be adjusted in line with clause 4.3 of the Scheme Guidelines.

- (iii) The migrated applicant shall be required to follow the localisation requirement applicable for 2nd/ 3rd year as the case may be under PLI 2.0.
- (iv) For the first year under this Scheme, incentive rate of assembly for 2nd/ 3rd will be applicable and for PCBA and other components/ sub-assemblies, incentive rate applicable for first year shall be considered. In subsequent years, the incentive rate shall follow the downward trajectory accordingly.

For example:

If an applicant has claimed incentive for one year under the earlier PLI scheme for IT Hardware, the applicable incentive rate of assembly for 1st year will be 2% and for any other component sub-assembly rates applicable for 1st year under this Scheme shall be considered.

- (v) In case, applicant selects FY 2023-24 as 1st year of incentive, the Base Year shall be FY 2019-20 (as in case of earlier PLI Scheme). However, For approved global/ domestic applicant under PLI Scheme for IT Hardware 1.0 opting to migrate to Hybrid category under PLI Scheme 2.0, the base year for sales shall be at par with other new applicants, which is the year preceding the 1st year of incentive opted by the applicant under PLI 2.0. Investment shall be considered as per para 2.16 above.
- (vi) For applicants selecting FY 2024-25 or FY 2025-26 as first year of incentive under PLI Scheme 2.0 -IT Hardware, the preceding financial year shall be considered as base year. The applicable period of incentive shall be 1st April of the concerned Financial Year. Investment shall be considered as per para 2.16 above.
- (vii) Under any circumstances, the total years for which incentive shall be given under both the Schemes shall not exceed 6 years.

11. Application

- 11.1. The Scheme shall be open for applications till 31st July 2023 which may be extended. The Scheme may also be reopened for applications anytime during its tenure based on response from the industry.

- 11.4. Each application shall be limited to one of the categories i.e. (i) Global Companies, (ii) Hybrid (Global/ Domestic) Companies or (iii) Domestic Companies
- 11.5. Incentives, at any point of time, will be limited to applications approved under the Scheme.
- 11.6. An application shall be made in the format provided in **Annexure 3** of these Guidelines.
- 11.7. On receipt of an application in the prescribed format, MeitY/ PMA will conduct an examination as to whether the application prima facie meets the criteria as prescribed in **Annexure 7** of these Guidelines. The aforesaid prima facie examination shall be completed within 15 working days from the date of closure of application window.
- 11.8. A non-refundable application fee would be payable for each application. The application fee, as mentioned in **Annexure 8** of these Guidelines, would be accepted electronically only.

12. Online Portal

- 12.1. All applications will be submitted through an online portal <https://pliithw.com/> to Project Management Agency (PMA). In case, the portal is not available, applications may be submitted in physical form, addressed to Joint Secretary (Electronics), IPHW Division, Ministry of Electronics & Information Technology, Electronics Niketan, 6 CGO Complex, Lodhi Road, New Delhi – 110003.
- 12.2. Upon successful submission of an application, PMA/ MeitY will issue a unique Application ID to the applicant for all future activities pertaining

to the Scheme. All applicants may refer to this unique ID for any future correspondence on the subject.

12.3. Ministry of Electronics and Information Technology (MeitY) may separately issue detailed instructions for the use of online portal for PLI.

13. Project Management Agency (PMA)

13.1. The Scheme will be implemented through a Nodal Agency as mentioned in Para 11 of the Scheme. Such nodal agency shall act as a Project Management Agency (PMA) and be responsible for providing secretarial, managerial and implementation support and carrying out other responsibilities as assigned by MeitY from time to time.

13.2. The PMA would be responsible for inter-alia:

- (i) Receipt of application, examination and appraisal of applications and issuing acknowledgements.
- (ii) Making appropriate recommendations to the Competent Authority for approval of applications under the Scheme.
- (iii) Determination of Baseline for Net Sales of Manufactured Goods and Investment for approved applicants and making appropriate recommendations to the Competent Authority.
- (iv) Verification of thresholds for determining eligibility for disbursement of incentive.
- (v) Examination of claims for disbursement of incentive and making appropriate recommendations to the Competent Authority.
- (vi) Verification of the reconciliation of disbursement claims with prescribed documents.
- (vii) Compilation of data regarding progress and performance of the Scheme through Quarterly Review Reports and other information / documents

13.3. The PMA may seek additional information, details and documents from the applicant as deemed necessary. To bring process standardisation and incorporate future learnings, PMA may improvise, update or modify the formats of the certificates and documents given in Annexures.

13.4. The PMA shall have the right to carry physical inspection of an applicant's manufacturing units and offices through site visit.

14. Empowered Group of Secretaries (EGoS)

14.1. An Empowered Group of Secretaries (EGoS) has been constituted by the Central Government vide Order No. P 36017/144/2020-Investment Promotion published in the Gazette of India. The composition of the EGoS is as follows:

- (i) Cabinet Secretary, **Chairperson**
- (ii) CEO, NITI Aayog

- (iv) Secretary, Department of Commerce
- (v) Secretary, Department of Revenue
- (vi) Secretary, Department of Economic Affairs
- (vii) Secretary, Ministry of Electronics, and Information Technology

14.2. The Empowered Group of Secretaries (EGoS) chaired by Cabinet Secretary will monitor the Scheme, undertake periodic review of the outgo under the scheme and take appropriate action to ensure that the expenditure is within the prescribed outlay as approved by the Cabinet.

14.3. The EGoS will conduct periodic reviews of eligible companies with respect to their investments, employment generation, production, and value addition under the Scheme.

14.4. EGoS may revise incentive rates, ceilings, target segment(s), list of items for localisation, utilisation of overall savings, eligibility criteria and relaxation under Force majeure conditions as deemed appropriate during the tenure of the Scheme.

15. Competent Authority

15.1. Competent Authority under the Scheme shall be defined as per OM F. No. 32(03)/PF-II/2020 dated 01.10.2020 issued by Department of Expenditure, Ministry of Finance, or any subsequent modifications thereof.

15.2. The Competent Authority will consider applications, as recommended by the PMA for approval under the Scheme. The Competent Authority may seek such additional information, as necessary for approval.

15.3. The Competent Authority will consider baselines, as determined by the PMA for approval.

15.4. The Competent Authority will consider claims for disbursement, as recommended by the PMA, for disbursement of incentive.

15.5. In case of a Force Majeure event, the Competent Authority may amend, modify, or withdraw any clauses under the Scheme Guidelines.

15.6. The Competent Authority will also be authorized to carry out any amendments in Scheme Guidelines.

16. Approval under the Scheme

16.1. The Project Management Agency (PMA) appointed by MeitY, will appraise the applications, and make appropriate recommendations to the Competent Authority for approvals under the Scheme.

16.2. After receiving approval from the Competent Authority, the PMA shall issue a letter to the applicant within 5 working days, communicating approval under the Scheme. The approval letter shall clearly state the following:

- (i) Name of Applicant
- (ii) Category
- (iii) Proposed Product(s)
- (iv) Yearly Thresholds of Incremental Investment and Net Incremental Sales of Manufactured Goods (covered under the Target Segment), applicable for determining eligibility
- (v) Yearly Incentive projections submitted by applicant which shall be the annual ceilings
- (vi) Plan for Domestic Value Addition/ Localisation during the tenure of the Scheme
- (vii) Plan for Employment Generation in India during the tenure of the Scheme

16.3. The aforesaid approval letter shall not be construed as a guarantee for disbursement of incentive as the same will be dependent upon verification of eligibility after submission of disbursal claim and other criteria defined in these Guidelines.

17. Baseline for Investment and Net Sales of Manufactured Goods

17.1. Eligibility under the Scheme is subject to thresholds of Incremental Investment and Net Incremental Sales of Manufactured Goods (covered under the Target Segment) as defined. Accordingly, a baseline for

Investment and Net Sales of Manufactured Goods will have to be established to determine eligibility and compute incentive amount.

- 17.2.** The period for determination of baseline shall be as follows:
- (i) Baseline for Investment: As on cut-off date defined in clause 2.17
 - (ii) Baseline for Net Sales of Target Segment Goods/ Eligible Products Manufactured Goods in India: The sales of Base Year during the period corresponding to the incentive claim period.
- 17.3.** In case of brand owners, the Baseline Sales shall include the sales of Target Segment Goods manufactured through contract manufacturers in India.
- 17.4.** The Baseline shall include net sales of Target Segment goods/ Eligible Product manufactured in India in the base year for the applicant company as well as any entity(ies) (covered under the definition of group company).
- 17.5.** Applicants shall be required to submit information/ documents, as deemed necessary for establishing the baseline, including but not limited to statutory auditor certificates as per format in **Annexure 14** and returns furnished to various Ministries/ Departments/ Agencies, or any other document sought by the PMA.
- 17.6.** The PMA shall determine the baseline based on information/ documents submitted by the applicant. This process will be completed within 30 working days from the submission of all necessary documents and receipt of clarifications sought by the PMA. The PMA shall accordingly make appropriate recommendations to the Competent Authority for approval of the baseline.
- 17.7.** The Competent Authority will consider baselines of investment and net sales of manufactured goods (covered under the Target Segment), as recommended by the PMA for approval.
- 17.8.** After receiving approval from the Competent Authority, the PMA shall issue a letter to the applicant within 5 working days communicating the same. The letter shall clearly state with reference to earlier communication, the following:
- (i) Name of Applicant
 - (ii) Category of applicants
 - (iii) Proposed Product (s)

- (iv) Date of Acknowledgement
- (v) Date of Approval
- (vi) Thresholds of Incremental Investment and Net Incremental Sales of Manufactured Goods (covered under the Target Segment), applicable for determining eligibility
- (vii) Baseline for Investment as per para 17.2
- (viii) Baseline for Net Sales of Manufactured Goods (covered under the Target Segment) and for Net Sales of Eligible Product as per para 17.2
- (ix) Any other information/ condition stipulated by the Competent Authority

17.9. No disbursement claims will be considered until the process of determining the baseline has been completed for an approved application.

18. Calculation of Incentive

18.1. The incentive applicable for an approved applicant shall be computed as follows:

Net Incremental Sales of Eligible Products x Rate of Incentive

Where:

- a) 'Net Incremental Sales of Eligible Products' shall be the 'Net Incremental Sales of Eligible Products' which meets the localisation requirement under this Scheme, for the period to which the claim for disbursement of incentive pertains minus the Net Sales of Eligible Products as per baseline determined.
- b) Incremental sales may have different rate of incentive in a year, due to localisation of components during the year. In such cases, the baseline sales shall be first deducted from the Target Segment sales meeting minimum localisation criteria applicable for that year and thereafter from sales having lower rate of incentive to arrive at 'net incremental sales' for incentive calculation.

For example: If an applicant has baselines sales of Rs. 100 crore. In this case, in 1st year sales having PCBA and Assembly shall be deducted first. Similarly in 2nd year, sales having PCBA, Assembly and One Local Component shall be deducted first.

- c) In case of return of sales, the Gross Sales shall be reduced by the amount corresponding to such return of sales. If the corresponding sales have been considered for claim processing for the earlier period, the sales return shall be adjusted with Gross Sales for the period in which the actual sales return takes place.
- d) The incentive amount payable shall be subject to annual and cumulative ceilings.
- e) Rate of incentive shall depend upon components localised and rate of incentive applicable in the respective financial year.
- f) For the purpose of computing Net Sales, expenses pertaining to 'advertisement and sales promotion' shall be deducted proportionately in the ratio of total expenses pertaining to advertisement & sales promotion) to total sales. The expenditure shall be deducted from net sales on aggregate basis.
- g) For computing Net Sales, expenses pertaining to brand royalty shall be deducted from the Net sales (for which such royalty expenses have been incurred) proportionately in the ratio of Total Expenses (pertaining to brand royalty) to Total Revenue (for which such royalty expenses have been incurred). The expenditure shall be deducted from net sales on aggregate basis.
- h) The sales price shall include pre-loaded software and standard warranty, if the sales to the customer have been made on lump-sum, all-inclusive basis and the component of the sales consideration towards each of these elements are neither separately mentioned on invoice nor separately accounted for/ identified in the books of accounts. The accounting practices in this regard should be followed consistently over time from base year and its preceding years.

19. Disbursement of Incentives

- 19.1.** For claiming incentives under the Scheme, applicants will be required to submit claims for disbursement of incentive to the PMA. Applicants must ensure that the claims are complete in all respects and are accompanied by all the documents required as per format prescribed in **Annexure 15** of these Guidelines. PMA may prescribe any other data, clarification, or document to be filed with the incentive claims.

- 19.2.** An applicant may submit a claim for disbursement of incentive as early as the end of the quarter in which the eligibility criteria for the year in consideration have been met. Claims for disbursement of incentive may be submitted only on a quarterly or half-yearly or annual basis.
- 19.3.** The Financial Statements for the claim period may be audited/ un-audited. In case of incentive claims based on Unaudited Financial Statements, a follow-up certificate from Statutory Auditors are required as detailed in **clause 19.13.**
- 19.4.** Claims for any period shall be made only once, unless withdrawn, and no subsequent part claims shall be allowed for the said period, except where the claim is deferred by PMA for accounting or regulatory rectification, such cases may be considered with subsequent incentive claim, for the period to which it pertains.
- 19.5.** Claims for disbursement of incentive shall be filed by the applicants within 9 months from the end of the financial year to which the claim pertains.
- 19.6.** The PMA will examine the disbursement claims as submitted by an applicant. The PMA shall verify eligibility and assess incentive payable to an applicant based on the method laid down in these Guidelines and the approval letter issued to the applicant.
- 19.7.** The PMA will have the right to verify any document(s) in relation to the claim for incentives including but not limited to statutory auditor certificates and returns furnished to various Ministries/ Departments/ Agencies. The PMA shall also have the right to examine the end realization and settlement/ payments corresponding to sales and investment respectively by way of auditor's certificate, bank statements etc. to the extent deemed necessary.
- 19.8.** In case of any doubt with respect to determining eligibility and incentive amount due, or any other matter in discharge of its duties and responsibilities, the PMA may refer to MeitY for clarification. The decision of MeitY will be final in this regard.
- 19.9.** The PMA shall process claims for disbursement of incentive and make appropriate recommendations to the Competent Authority.

- 19.10.** The Competent Authority will consider claims for disbursement, as examined, and recommended by the PMA, for disbursement of incentive.
- 19.11.** The PMA shall disburse funds after completion of all pre-disbursal formalities by the applicant and approval from Competent Authority.
- 19.12.** The disbursement of incentives may be in the form of Direct Bank Transfer (to be used as may be allowed by the Ministry of Finance) through PFMS, or through any other mechanism of adjustment in the name of the applicant only.
- 19.13.** It is expected that the data submitted for incentive claims shall be in reconciliation with Annual GST Returns, Income Tax Returns, Form 3CEB, if applicable, MCA records and Audited Financial Statements (if claims were approved based on unaudited financial statements). In cases where incentive claims have been approved before filing of these documents, applicants shall be required submit a reconciliation statement by 31st March of the next financial year. A certificate from Statutory Auditors in this regard may be provided as per Annexure 15.7.
- 19.14.** The PMA shall verify the aforesaid reconciliation. In case of excess claims disbursed, the applicant shall reimburse MeitY for any incentive amount refundable along with interest calculated at 3 years SBI MCLR/ base rate per Annum or the extant rates prevailing on the date of disbursement, compounded annually (for the period between excess payment and date of refund by the applicant).
- 19.15.** If the PMA or MeitY is satisfied that eligibility under the Scheme and/ or disbursement of incentives have been obtained by misrepresentation as to an essential fact or furnishing of false information, MeitY may ask the applicant to refund the incentives along with interest calculated at 3 years SBI MCLR/ base rate per Annum or the extant rates prevailing on the date of disbursement, compounded annually, after giving an opportunity to the applicant of being heard.
- 19.16.** MeitY shall make budgetary provisions for disbursal of incentives by the PMA under the Scheme. The PMA will submit budgetary requirements to MeitY as a consolidated amount on a quarterly basis.
- 19.17.** The PMA shall furnish information to MeitY with details of disbursement claims received for incentives, amount disbursed, reasons for rejection / delay in disbursement of the incentives on a quarterly basis.

20. Review

- 20.1.** Periodic reviews will be undertaken by the Empowered Group of Secretaries (EGoS) to conduct a periodic review of eligible companies with respect to their investments, employment generation, production, and value addition under the Scheme.
- 20.2.** All approved applicants shall be required to furnish self-certified Quarterly Review Reports (QRRs) within 30 days from the end of each quarter in the format provided in **Annexure 9** of these Guidelines.

21. Residual

- 21.1.** An applicant shall intimate the PMA of any change in the shareholding pattern during the tenure of the Scheme, after updation with the Registrar of Companies (RoC).
- 21.2.** Any change in the shareholding pattern of an applicant leading to a successor-in-interest or having the effect of change in nature of company as per **Annexure 1** of the Guidelines during the tenure of the Scheme, shall be intimated by PMA for approval of the Competent Authority to consider for disbursement of incentives.
- 21.3.** In case of a successor-in-interest or having the effect of change in category as per **Annexure 1** of the Guidelines, all Incremental Investment undertaken by the applicant to whom approval was accorded under the Scheme, would be considered for determining eligibility, subject to approval and compliance with any other condition stipulated by the Competent Authority, as may be deemed appropriate. The baseline applicable for the successor-in-interest will be the same as determined for the applicant to whom approval was accorded under the Scheme.
- 21.4.** To obviate any malpractices in the financial matters where disbursements are made to industry by the Government, it has been decided to provide a deterrent against corrupt practices for promotion of transparency and equity. Therefore, keeping in view the sensitivities involved in the process and taking cue from the instructions of the Central Vigilance Commission regarding adoption of an Integrity Pact in the matter of procurement, it has been decided to obtain undertaking(s) from applicants under the Scheme.

- 21.5.** Two formats of undertakings are enclosed as Format-A and Format-B in **Annexure 10 & Annexure 11**. These undertakings are to be furnished by applicants, duly signed by its CEO/MD/Director depicting designation and authorization to do so.
- 21.6.** The first undertaking (Format-A) shall be provided by all applicants whose applications or claims are under consideration for approval or disbursement of incentives. The applications or claims of those applicants who do not submit the undertaking shall not be processed and considered. The second undertaking (Format-B) for confirming the compliance of integrity will be provided by applicants after the submission of claims for disbursement of incentive and in any case before release of funds. The release of incentives shall be withheld until the above-mentioned undertaking is provided.
